

## Corporate Winter Escape to Winvian Farm!

Instead of planning another “meeting in a box” at a standard hotel, why not treat your corporate group to a cozy, peaceful, secluded winter escape at Winvian Farm? Only 2 hours from Manhattan and surrounded by nature preserve, our state-of-the-art Boardroom offers clients a creative space filled with natural light and views of our 113 acre estate. When meetings end, groups at Winvian Farm are offered plenty of fun activity choices including cooking competitions, cottage crawl cocktail parties, hiking in the woods, mixology class, chocolate and wine tastings! “Foodies” are treated to 5-diamond cuisine prepared by our award winning chef. After dinner, gather by the fireplace in the Games Room to enjoy your favorite beverage, or around a bonfire with s’mores before heading back to your very own cottage, complete with fireplace, steam shower and jacuzzi tub, for a restful night of sleep. Winvian Farm is unique in being able to offer corporate guests a business, personal and rejuvenation trip all in one!
